

CASE STUDY:

**REDCATS - THE GOLF WAREHOUSE®**

Kansas

The Golf Warehouse® needed to determine the best location for consolidation and expansion of its operations. Ginovus provided extensive location modeling and economic development incentive procurement and management services. Significant product fulfillment was formerly handled out of two separate locations in the U.S. To house the significant increase in product demand, TGW.com - The Golf Warehouse® expanded by 130,000 square feet and will create more than 100 jobs.

**PROJECT PARAMETERS:**

Capital Investment: \$6.2 Million

New Jobs: 105

Square Footage: 130,000

**TOTAL INCENTIVES AWARDED IN EXCESS OF \$760,000.00**
